

Atlanta

Average Commute Time Increase of 19.2%

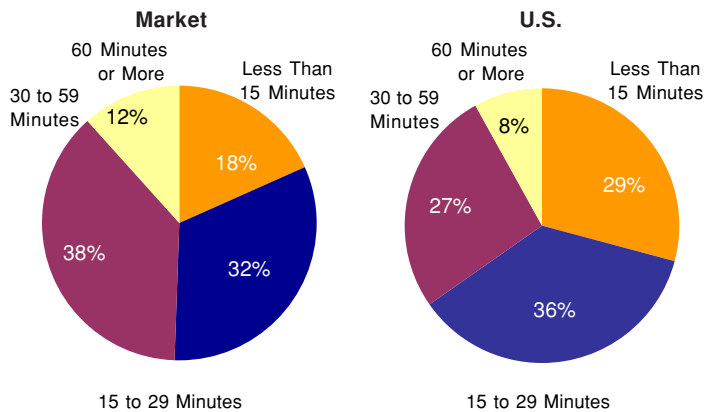

Comparison of 1990 and 2000 average one-way commute time for Atlanta

Average Commute Time to Work

	1990	2000	% Increase
Market	26 minutes	31 minutes	19.2
U.S.	22 minutes	26 minutes	18.2

Commuters are spending more time traveling to work. That increase means more opportunities for outdoor/out-of-home and radio to reach their advertising targets.
